

A Message From Our Pastor

My Dear Loved Ones,

St. Luke Church has distinguished herself as being, "A Church Determined to Know Christ and Make Him Known." This is not just a statement, but these words have and yet give the ministry of our church focus and foundation.

As we worship outside of the walls of our sanctuary and then move into our time of food, fun and fellowship, we are engaged in one of the ways that we "Make Christ Known." As Christians, we are obligated to be witnesses for Christ, and our witness must be visible in practical and helpful ways. We have consistently demonstrated our commitment to being such a church. The result is the many wonderful ministry initiatives that bless the lives of people in our local community.

Our Outdoor Worship Service and Block Party represent our intentional congregational effort to, "take the church out of the building." It is also our desire to share our worship and serve our community in a day filled with fun and fellowship. We must be (and we are) a congregation that is IN the community and SERVING the community. This is one example of our service to the people of our city.

I am thankful to all of the people who have prayed and participated to make this day a success. May we continue to work together to be an instrument of healing and help in the 4th ward, in our city...and into the uttermost parts of the earth.

If you are a visitor sharing with us for the first time, it is our hope that you will enjoy every aspect of our gathering today. We invite you to join us in a future Sunday morning worship service or in one of the opportunities for prayer, study, or service that brings us together each week.

May our day be a blessed one, and may we continue to remain DETERMINED!

I love you with ALL of my love!

Pastor Clayton
